CR-1

FLEXP-PRO CREAM PLUS is an environmentally safe cleaner for ANILOX ROLLERS.

DIRECTIONS: Apply to anilox roller. Scrub with brush if needed, and rinse. Repeat as necessary.

STORAGE AND HANDLING: No special storage is required. When handling, always wear gloves and appropriate eye protection. Liquid may be irritating to eyes and skin. Always refer to the MSDS sheet when in doubt.

Flexo Pro Cream Plus is a revolutionary hybrid cleaner for anilox rollers. It is an excellent, effective formula that is a safe alternative to traditional solvents. It will not harm the press operator or your equipment.

FEATURES/BENEFITS:

- ◆ Hybrid Technology – effectively removes water, UV and solvent ink from anilox rollers.
- ◆ Effectively removes water and UV coatings.
- ◆ Low VOCs & non-flammable – no need for special storage; no haz-mat shipping fees. Complies with new environmental regulations.
- ◆ Neutral PH.
- ◆ Biodegradable.
